

COMPANY PROFILE

Nile Harvest

Company Overview

Nile Harvest is a premium supplier of high-quality Kariba Bream, dedicated to sustainable and eco-friendly aquaculture. Based in Johannesburg, South Africa, our mission is to provide nutritious, responsibly sourced fish to local and international markets.

Our Story

With a deep commitment to environmental responsibility and quality, Nile Harvest was established to meet the growing demand for premium tilapia in an ecologically conscious manner. We leverage the natural abundance of the Nile River to provide nutritious and delicious fish to tables worldwide.

Our Mission

To be a leading provider of sustainably farmed Kariba Bream, ensuring high freshness and superior quality for consumers while maintaining responsible aquaculture practices.

Our Products

We offer Kariba Bream in various packaging sizes to meet the needs of different customers, including:

- **500g Packaging** – Ideal for individual portions and small households.
- **1kg Packaging** – A convenient size for families.
- **2kg Packaging** – Perfect for bulk buyers, restaurants, and retailers.
- **5kg Packaging** – A cost-effective option for large-scale buyers and wholesalers.
- **Custom Orders** – Tailored solutions available for distributors and food service providers.

Why Choose Nile Harvest?

- **Sustainability:** Our fish are farmed in an eco-friendly manner, ensuring minimal environmental impact.
- **Quality Assurance:** We follow strict food safety standards to deliver fresh, high-quality products.
- **Reliable Supply:** We cater to restaurants, distributors, and retailers with tailored solutions.
- **Versatile Sizing:** We offer multiple packaging options to suit individual, family, and commercial needs.
